Leicester Health Authority – Disabled Children’s Database (Internal site)

Enter disabled children’s details into system, including pop-up validation window

The screenshot shows the 'Disabled Childrens' registration form in Microsoft Internet Explorer. The form is titled 'Disabled Childrens' and includes navigation links: Login, Register Details, Maintain Lookups, and Maintain Groups. Below these are tabs for 'Personal Details', 'Key Carer', 'Carer 1', and 'Carer 2'. A red notice states 'All items in RED are Mandatory'. The form fields are organized into sections: 'Registration initiated by', 'The Child', and 'Are there any brothers/sisters'. A validation pop-up window is open, listing the following fields as incorrectly entered: Surname, Forename, Post Code, Tenure Type, Consent, Date Consent given, Childs Surname, Childs Forename, Gender, Date of Birth, Childs Post Code, Residential Status, Ethnicity, Method of Communication, Disability Grouping, Care required, Social Impact, Nature of Difficulty, Wheelchair/Buggy user, and Family Support Current.

Upload and categorise publications for the public site

The screenshot shows the 'Disabled Childrens Database' main content page in Microsoft Internet Explorer. The page is titled 'Disabled Childrens Database' and includes navigation links: Login, Register Details, Maintain Lookups, Maintain Groups, Maintain Messages, Reporting, and Help. The page is divided into two main sections: 'Unassigned Publications' and 'Assigned Publications'. The 'Unassigned Publications' section contains a table with the following data:

PublicationsID	Filename	FileText	File Extension	Assign Publication
PU8	filename7	Document7	pdf	Assign
PU10	filename9	Document9	pdf	Assign

Below this table is a 'Disability Grouping (Select Up to 5)' section with a dropdown menu showing the following options: -Please Select-, Mobility (1), Sensory impairment (2), Speech and Language (3), Physical (4), and Autistic Spectrum (5).

The 'Assigned Publications' section contains a table with the following data:

InformationID	Disability Group 1	Disability Group 2	Disability Group 3	Disability Group 4	Disability Group 5	
PU1	2	4	5	0	0	ReAssign
PU2	1	6	0	0	0	ReAssign
