

eCRM system

Using the input screen below, the client can define the email to be sent, including the template, frequency of delivery and insertion of pre-defined tags that linked to the database for inclusion in the email.

The screenshot shows a web browser window titled "STEP - Microsoft Internet Explorer" with the address bar displaying "https://student.step.org.uk/index.htm?site_mode=master_stud_reg.xml". The page features a navigation menu with "HOME", "MY STEP", "APPLICATIONS", and "LOG OUT". Below the menu is a banner for "STEP THE CAREER ADVANTAGE" with a photo of two students. The main content area is titled "STUDENT APPLICATION FORM" and is divided into two sections: "Part 4 - Education (1 of 2)" and "SUPPLEMENTARY INFORMATION".

Part 4 - Education (1 of 2)

Dissect Medicine	

SUPPLEMENTARY INFORMATION

University name - Please enter your University name and click search. If you cannot find your university name please manually enter it into the second field

Course Name - Please enter your course name including discipline (i.e. BA BSc or HND)

Key Skills and Application Interests - Please choose any areas here that you would like to undertake a STEP project in. They do not have to have direct relation to your course but they must be within your capabilities. For example if you are studying History you may feel that you can undertake a marketing project but you may not have the relevant skills to undertake an electronics engineering project.
